2022 TOBIAS Vineyards FORMATION

Vintage Notes

The 2022 growing season was defined by limited rainfall, early summer temperatures, and periods of accelerated heat, resulting in a compressed harvest across Mendocino and Sonoma. Careful monitoring and earlier picking, particularly in Rockpile, allowed us to preserve natural acidity. Smaller berries with thicker skins delivered concentrated fruit flavors, rich tannins, deep color, and intensity while retaining freshness and balance. Winemaker Toby Forman, following in the footsteps of his father Ric Forman, continues to refine each vintage through meticulous farming and thoughtful winemaking, capturing the depth, structure, and distinctive character of our Mendocino and Sonoma estate vineyards.

Winemaker Notes

FORMATION, crafted by the Formans from the finest lots of our estate vineyards each year, is a distinctive yet approachable Cabernet Sauvignon blend.

Deep, inky ruby in color, the 2022 opens with rich aromas of blackberry and savory herbs, layered with subtle vanilla and earthy notes. The full-bodied palate reveals juicy black plum and ripe raspberry, unfolding into tobacco and warm spice. Structured, substantial tannins provide depth and power while maintaining beautiful balance. Layered and expressive, the 2022 brings together generous dark fruit, savory complexity, and distinctive mountain structure.
